ABOUT MPI

One organization with two areas of expertise, Management Partners, Inc. (MPI), provides contemporary talent solutions and support for all aspects of executive talent management:

- Executive Search
- Senior Leadership Development
- Executive Team Performance
- Succession Planning and Management
- CEO and Board Service

Furst Group – Healthcare Executive Search

Furst Group is a premier executive search firm that focuses in healthcare and life sciences. With more than 40 years of experience, we partner with leaders and organizations from all facets of healthcare—payor, provider, medical device, and other life science companies, academic medical centers, medical groups, associations, and more. Our experience in evaluating talent, leadership, and culture helps companies align their organizations to execute their strategic initiatives. Furst Group continues to be ranked among the Top 10 Healthcare Executive Search Firms by *Modern Healthcare* and ranked on *Forbes* list of Best Executive Recruiting Firms. For more information, visit FurstGroup.com.

NuBrick Partners – Integrated Talent Management

NuBrick Partners is a leadership development firm comprised of highly trained psychologists and organizational development experts who provide an integrated, systemic approach to talent management. Their support encompasses the board and C-Suite in senior leadership team development, succession planning, executive selection assessment, and new leader installation across all industries as well as executive physician leadership within the healthcare industry. For more information, visit NuBrickPartners.com.
